

FIBER FAIR FUN FACTS:

Fiber Fair was started by the Heritage Winooski Mill Museum in 2019 to honor Winooski's roots as a Mill town and create an opportunity for local fiber vendors of all kinds to offer their wares. We're excited to team up with them to create that space at the Winooski Farmers Market!

This year's Fiber Fair will welcome returning and new fiber vendors at the event in addition to the regular Farmers Market line-up.

The event will be an opportunity for the public to contribute to a community mandala project run by the Mill Museum.

We'll be welcoming several Vermont nonprofits to the event too!

The 2024 Fiber Fair will take place on September 1!

Contact Melissa Corbin at melissa@downtownwinooski.org or at 802.310.6942 with sponsorship inquires.
